Passport Number:

Passport Issue Date:

Passport Expiration Date:

NASCC: The Steel Conference is the premier educational and networking event for the structural steel industry, bringing together structural engineers, structural steel fabricators, erectors, detailers, and architects. The Steel Conference offers more than 250 sessions. In addition to practical seminars on the latest design concepts, construction techniques, and cutting-edge research, the conference also offers an extensive trade show, featuring products ranging from structural design software to machinery for cutting steel beams, and plentiful networking opportunities. It's a once-a-year opportunity to learn the latest techniques, see the most innovative products, and network with your peers and clients.

Please help us take the steps necessary to have this individual obtain a visa in order to attend The Steel Conference in Atlanta, Georgia, April 22-24, 2026. Please contact nascc@aisc.org if I can be of further assistance.

Best Regards,

A handwritten signature in black ink that reads "Elizabeth Purdy". The signature is fluid and cursive, with the first name and last name clearly distinguishable.
